Getting Around

Hours

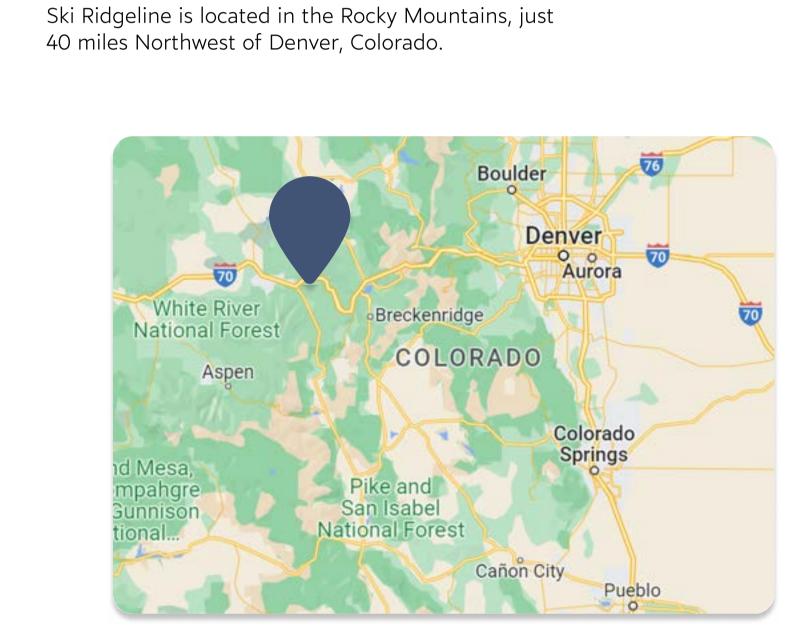

We offer trolley's that go from our cabins, to the main plaza, and slope Everest. They pass by every 20 minutes.

The Y Resort is made up of three main areas. The cabins are nestled into the mountains, split between deluxe and traditional. The main plaza houses the clubhouse and some restaurants. Most of our events are typically held there. Finally, slop Everest is our main attraction.

Hotel Alps is our sister property. It is a 10 minute drive to slope Everest. While our trolley's don't stop at hotel alps, you can park in our Main plaza for free and take a trolley to our slopes free of charge.
